## Floral Design Classes

### The Towers of Harbor Court

Help your residents learn newfound skills in the art of floral design as they each create an arrangement during a floral class lead by Flowers by Chris. Turn on your talent at this engaging Indoor Activity! Flowers by Chris will design a fun flowery activity that leaves the group walking away with a beautiful floral arrangement. All flowers, containers and tools are provided.

Nothing makes people smile like flowers...

#### **ABOUT THE WORKSHOP**

Gather one. Gather all. The season is changing and a season of spectacular flowers it will be! Wow your group this season, as our passionate instructor teaches you step-by-step how to make an impressive, photo-worthy, floral arrangement using local, farm-fresh flowers. You'll learn basic design, such as color, scale, and combination to gain the confidence to design more stunning arrangements for your home. You are sure to be inspired, laugh along the way, and be eager to show off your new floral design skills. You will be amazed at what you can do.

#### **WHAT'S INCLUDED – EVERYTHING!**

Each guest receives an abundance of fresh flowers and a vase for the design event. We provide the flowers, greens, floral clippers and/or scissors and step by step, hands on instructions. To ensure you receive the best quality flowers, the arrangement may slightly change due to our local farm's availability.

#### **PRICING - PRIVATE & GROUP RATES**

Private design classes are available, one on one, (at \$99/person). Or, group classes, with a minimum of 8-10 guests, (at \$65/person) and a maximum of 15, (at \$65/person). Basic design classes run 1 to 2 hours. (More class options are available online at [www.flowersbychris.com](http://www.flowersbychris.com), Search "Floral Design"). So, grab some co-workers, friends, family members or neighbors and
